The screenshot shows the SURFOX web application interface. At the top, there is a header with the SURFOX logo and the text "Electrochemical weld cleaning system for stainless steel". To the right of the header are links for "MY ACCOUNT", "CONTACT US", and "SIGN OUT", along with a language dropdown menu set to "English". Below the header is a navigation bar with tabs for "Customers", "Contacts", "Projects", and "Testers". The "Testers" tab is currently selected. Below the navigation bar is a search bar with a magnifying glass icon and the text "Search". To the right of the search bar are two buttons: "Active" (highlighted in orange) and "Archive". Below the search bar is a table with one row containing the text "tester 05". A mouse cursor is hovering over the "tester 05" entry, and a "Save" button is visible below it. A tooltip with the text "Save" is pointing to the button. The word "Testers" is also visible to the right of the table.

The screenshot shows the SURFOX web application interface. At the top, the SURFOX logo is displayed in orange, followed by the text "Electrochemical weld cleaning system for stainless steel". Navigation links include "MY ACCOUNT", "CONTACT US", "SIGN OUT", and a language dropdown menu set to "English". Below this is a horizontal menu with "Customers", "Contacts", "Projects", and "Testers" tabs. The "Testers" tab is active. On the left, there is a search bar and a form to "Enter new tester name" with a "Save" button. In the center, there are "Active" and "Archive" buttons. Below these is a list of testers, with one entry showing a large orange "T" icon and the text "Tester 05". A blue callout box with a white border points to this entry, containing the text "Select the new tester".
