[Agreements](#) [About Bio-Circle](#) [About Walter](#)

The screenshot displays the SURFOX web application interface. At the top, the SURFOX logo is on the left, followed by the text "Electrochemical weld cleaning system for stainless steel". To the right are links for "MY ACCOUNT", "CONTACT US", and "SIGN OUT", along with a language dropdown menu set to "English". Below this is a navigation bar with buttons for "Customers", "Contacts", "Projects", and "Testers". The "Customers" button is highlighted. Below the navigation bar is a search bar with a magnifying glass icon and the text "Search". To the right of the search bar are two buttons: "Active" (highlighted in orange) and "Archive". Below the search bar is a text input field with a cursor. A callout box with a blue border and a white background points to the input field, containing the text "Type in Customer name". To the right of the search bar, the word "Customers" is displayed. At the bottom of the page, there is a footer section with the following text: "SURFOX is a registered trademark of Surface Technologies IP AG, used under licence in the United States of America.", "Copyright 2015 J. Walter Company Limited", and links for "Agreements", "About Bio-Circle", and "About Walter". To the right of the footer text is the logo for "WALTER Surface Technologies".

The screenshot displays the SURFOX web application interface. At the top, the SURFOX logo is on the left, and the text "Electrochemical weld cleaning system for stainless steel" is on the right. Navigation links for "MY ACCOUNT", "CONTACT US", and "SIGN OUT" are present, along with a language dropdown menu set to "English". Below this is a navigation bar with buttons for "Customers", "Contacts", "Projects", and "Testers". The main content area features a search bar with a magnifying glass icon and a search input field. To the right of the search bar are "Active" and "Archive" buttons. Below the search bar is a form with a text input field containing "Kopper Metal Finishing" and a "Save" button. A mouse cursor is clicking the "Save" button, and a larger, semi-transparent "Save" button is overlaid on the screen. The word "Customers" is visible on the right side of the interface.

The screenshot shows the SURFOX web application interface. At the top, the SURFOX logo is displayed next to the text "Electrochemical weld cleaning system for stainless steel". Navigation links for "MY ACCOUNT", "CONTACT US", and "SIGN OUT" are visible, along with a language dropdown menu set to "English". Below this is a horizontal menu with tabs for "Customers", "Contacts", "Projects", and "Testers". The "Customers" tab is active. A search bar is present with a magnifying glass icon and the text "Search". To the right of the search bar are "Active" and "Archive" buttons. Below the search bar is a form to "Enter new customer" with a "Save" button. A list of customers is shown, with one entry highlighted: "Kopper Metal Finishing" with "0 projects". A blue callout box with the text "Select customer name" points to the highlighted entry.
